Sub: Project Internship Confirmation Letter

Respected Sir/Madam,

REPUTABLE TECHNOLOGIES PVT. LTD. offers industrial project training to your student **Mr. Vishal Yennam** as subject of their 6th Semester of BSc IT.

Project: Tailor Made ERP Application

Development Technology (Web): PHP (CodeIgniter 3.x), JavaScript, jQuery, MySQLI, HTML, CSS (Bootstrap)

As a part of REPUTABLE TECHNOLOGIES PVT. LTD., students have to adhere to strict discipline and follow all the rules and regulations. Students will not at any time do anything/use their association with the company to gain unfair practice for any of personal/official purpose. If they are found to do so, their training will be immediately terminated.

Upon completion of training, students have to return all the documents/properties/articles/software codes etc. belonging to the company. REPUTABLE TECHNOLOGIES PVT. LTD. will not provide any economic benefits and the College/Student will not be entitled any software rights on product or source code developed during this project work. Students are bound with agreement that they will not use, reproduce the code for any economic purpose.

Your Sincerely,

Praveenkumar Yennam
